	APPROVAL OF STATE ENGINEER
limit reverse and mea mus of low for mai sta use	This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following tations and conditions:  This permit is issued subject to existing rights and is further subject to ocation if and when water can be furnished by an entity such as a water district a municipality engaged in furnishing water. A totalizing meter must be installed maintained in the discharge pipeline near the point of diversion and accurate surements must be kept of water placed to beneficial use. The totalizing meter to be installed before any use of water begins, or before the Proof of Completion Work is filed. It is understood that this right must allow for a reasonable ering of the static water level. The well shall be equipped with a 2-inch opening measuring depth to water. If the well is flowing, a valve must be installed and ntained to prevent waste. This source is located within an area designated by the te Engineer pursuant to NRS 534.030. The State retains the right to regulate the of the water herein granted at any and all times.  This permit does not extend the permittee the right of ingress and egress on lic, private or corporate lands.  The issuance of this permit does not waive the requirements that the permit der obtain other permits from State, Federal and local agencies.
The	amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to
exce	ced 0.0084 cubic feet per second, but not to exceed 1.095
	million gallons annually.
Wor	k must be prosecuted with reasonable diligence and be completed on or before
	of of completion of work shall be filed on or before March 13, 1993
Арр	lication of water to beneficial use shall be made on or before February 13, 1996
Proc	of of the application of water to beneficial use shall be filed on or before
Com	pletion of work filed MAR 2 6 1993  IN TESTIMONY WHEREOF, I.R. MICHAEL TURNIPSEED, P.E.  State Engineer of Nevada, have hereunto set my hand and the seal of my
